LAST WEEK ON HEART AND HAND

It was another packed week of content on Heart and Hand. On Tuesday, the Laura's broke down all the [Fantasy Football](#) action from the previous weekend. Ross, James, and Simon discussed the corruption scandals at FIFA on [The Deep Dive](#) and Stevie Clifford hosted a new show discussing Gerrards European record in [50 In Europe](#). Finally, David and Laura reviewed Rangers Women's dominant opening day win on the [Rangers Women](#) show.

YOUR WEEKLY RECOMMENDATION

This is the part of the newsletter that is used to suggest some pods or pieces of writing from the past.

This week's recommendation is [Harrigan's History - Yugoslavia 1990: The Best That Never Was?](#) - a fascinating story of how civil war and political upheaval hampered the development of one of the most promising generations the world had ever seen.

From everyone at Heart and Hand, we hope both you and your team have a fantastic week. WATP.
