## THIS WEEK ON HEART AND HAND

Your full Heart and Hand schedule can be found here with all your favourite shows coming throughout the week. It is a huge week for the club on both a domestic and European front and full matchday coverage of both fixtures can be seen here underlined in blue, alongside all your regular favourite shows.

## LAST WEEK ON HEART AND HAND

Last week on Heart and Hand, Andy Barnett sat down with Ross and Tess for a new show examining the various Milestones in the career of current Rangers players. There was an episode of The Time Capsule that was not to be missed and The Hamburg Hangover returned as James, Derek, Graeme, and David Barkley discussed the performances of our friends HSV.

## YOUR WEEKLY RECOMMENDATION

This is the part of the newsletter that is used to suggest some pods or pieces of writing from the past.

This week, as the boys prepare to cover the final game of the 2010/11 season, your weekly recommendation is the very first episode of When Walter Returned, the show that recaps every game and major event from Walter Smith's second spell in charge.

From everyone at Heart and Hand, we hope both you and your team have a fantastic week. WATP.
