THIS WEEK ON HEART AND HAND

Your full Heart and Hand schedule can be found here with all your favourite shows coming throughout the week. James and I will provide full match coverage of Rangers B Teams' trip to Cove Rangers in the quarter-finals of the SPFL Trust Trophy tomorrow evening. Furthermore, Blue Scarves On will return on Friday night as Caroline and Marina discuss all things Rangers!

LAST WEEK ON HEART AND HAND

I had the pleasure of chatting to Alan Bradley on his "[Who Are You](#)" show which came out this week, and last week you can listen to Simons turn in the hotseat. Martyn welcomed Rangers legend Mark Hatley and Alistair Aird on to [The Time Capsule](#) to discuss their new book "Hitting The Mark". On the subject of books, [Reading Rangers](#) returned on Saturday evening and finally, Adam discussed what we can expect from Giovanni van Bronckhorst in a tactical sense on [Tactics Talk](#).

YOUR WEEKLY RECOMMENDATION

This is the part of the newsletter that is used to suggest some pods or pieces of writing.

This week your weekly recommendation from the archives is the first episode in the series where podders make the case for which of our seven trebles should be rated the best - [Treble Kings](#).

From everyone at Heart and Hand, we hope both you and your team have a fantastic week. WATP.
