THIS WEEK ON HEART AND HAND

Your full Heart and Hand schedule can be found here with all your favourite shows coming throughout the week. The schedule last week was disrupted for obvious and understandable reasons but we will be back to a more traditional timetable going forward.

LAST WEEK ON HEART AND HAND

Last week on Heart and Hand was rightly focused on one man. On Tuesday, David paid an emotional [tribute to Walter](#) as the news emerged. Furthermore, classic shows about Walter were highlighted throughout the week such as [Colin's Moments That Matter](#) where he discussed Walter with Martyn, as well as [The Golden Years](#), a show where David, James, and Martyn examined arguably one of our greatest ever seasons in 1992/93.

YOUR WEEKLY RECOMMENDATION

This is the part of the newsletter that is used to suggest some pods or pieces of writing from the past.

This week your weekly recommendation is a touching piece of writing by Martyn which encapsulates how many of us have both felt and continue to feel about one of our all-time heroes - [Walter](#).

From everyone at Heart and Hand, we hope both you and your team have a fantastic week. WATP.
