THIS WEEK ON HEART AND HAND

A packed schedule this week with full coverage of both our fixtures against St Johnstone and Aberdeen. The latest in Martyn's popular series *Dominant* drops tomorrow morning and *Milestones* will be out later in the week. The Rangers Women's show is out on Friday to discuss a sparkling win over Celtic yesterday and I am going to be putting Andy through a session of Catharsis on *Feeling Blue*.

LAST WEEK ON HEART AND HAND

Last week on Heart and Hand, Martyn continues his in depth look at the Souness revolution the start of the 1987/88 season on *Dominant* while James, Hoggy and Simon rounded up all the action in the *Champions League*. If you want to relive that brilliant night against Dortmund, I joined Adam and David on *Extra* to talk all about it and finally, a wonderful interview from Stevie Clifford with the Curator of the *Rangers Museum* Joe Morrison dropped on the site yesterday morning.

YOUR WEEKLY RECOMMENDATION

This is the part of the newsletter that is used to suggest some pods or pieces of writing.

As Saturday will mark the clubs 150th celebrations, I think it is only right that this weeks recommendation focuses on the four lads who had a dream that started it all.

From everyone at Heart and Hand, we hope both you and your team have a great week.
