THIS WEEK ON HEART AND HAND

The intensity ramps up to the max this week with a Europa League Semi-Final and an Old Firm. Be sure to check out Andy and Robs new show tonight called *Heart and Sand* as they discuss following the bears from the Middle East.

LAST WEEK ON HEART AND HAND

Last week on Heart and Hand, Steven caught up with the *Qatar Loyal and Blues RSC* while he was over in the country and in another foreign venture, *The Hamburg Hangover* made a return to cover all things related to our German friends. *Signing Sensations* was back as Grant, Andy and Stevie discussed Pedro Mendes and finally, Stevie was joined by Wilf Marshall on *Rangers Then, Rangers Now*.

YOUR WEEKLY RECOMMENDATION

This is the part of the newsletter that is used to suggest some pods or pieces of writing.

This weeks recommendation is a look back to the last time we played in the Semi-Final stages of a *European Competition*.

From everyone at Heart and Hand, we hope both you and your team have a great week. If it goes the way we all want it to, we're looking at an all timer...

WATP.
